

ALIGNMENT ACCELERATOR EXERCISE

Create clarity and ownership of your team's unique requirements for deepening the alignment necessary to accelerate achievement of your business objectives.

TALK WITH AN EXPERT

OUTCOMES

- ✓ Determine the degree to which the group is aligned and safely articulate barriers.
- ✓ Ignite a common understanding of evidence-based, practical steps required for the daily disciplines of deep alignment.
- ✓ Create urgency and activate motivations necessary for the group to focus on priorities.

- 2-4 hour in-person, tailored discussion
- For executive, senior or management-level leaders
- 6-20 participants
- When silos or circumstances have splintered a group's performance – or you need to successfully launch a new plant or initiative

“

Verus Global has had an immediate impact on how we're operating. We're getting to the real discussions faster. I couldn't ask for more.
