THE COLLABORATIVE LEADER'S HUDDLE

A FORUM (AN "UN"WEBINAR) FOR FORWARD-THINKING INFLUENCERS DETERMINED TO DO TOGETHER WHAT NO LEADER CAN DO ALONE.

Answer the **BIG QUESTION:**

How do you create an aligned and connected team while operating virtually through a crisis?

When: Thursday, April 9, 2020

Time: 8 a.m. to 8:50 a.m. Colorado Rocky MOUNTAIN Time

The Experience: We've considered calling this an "un"webinar – because you will NOT be subjected to a training or asked to purchase something at the end. Instead, this is *50 minutes of unfiltered, live, honest discussions among inspired collaboration practitioners* focused on breaking the humanistic barriers we're all facing in business today.

The value to you: Practical methods to align and connect teams to priorities, colleagues and organizational culture – especially during times of acute change.

Special huddle guest:

Angie Paccione! Angie is the Executive Director of the Colorado Department of Higher Education and sits on Colorado State Governor's cabinet. She also serves as an advisor to Verus Global and is well known in collaborative leadership circles as a former facilitator and as co-author of Do Big Things. (Wiley 2017)

Please join us if you:

- prioritize developing collaborative ecosystems, where the hearts and minds of others are energized around a shared reality.
- embrace collaborative leadership as a moral responsibility.
- can commit to actively receiving and giving through the discovery process.
